Assistance in your home with daily activities	Personal Assistance Services- (CSLA)	Personal Assistance Services are aimed at assisting the individual to complete tasks of daily living that would be performed independently if they had no disability. These services include: Non-medical personal care (eating, bathing, dressing, personal hygiene), general household activities/chores (light housekeeping tasks, preparing meals, grocery shopping, laundry), cueing to prompt the participant to perform a task, and assisting a functionally impaired individual who cannot be safely left alone;• Health maintenance activities provided for the participant, such as bowel and bladder routines, ostomy care, catheter, wound care and range of motion as indicated in the individual's service plan;• Routine wellness services to enable adequate nutrition, exercise, keeping of medical appointments and all other health regimens related to healthy living activities; Overnight Personal Assistance Services provide intermittent or ongoing, awake, overnight assistance to a participant in their home for up to eight hours. Overnight Personal Assistance services require awake staff; and• Chore services needed to maintain the home in a clean, sanitary and safe environment, such as washing floors, windows and walls, and tacking down loose rugs and tiles.	OBRA	15 minutes
Assistive Technology	Assistive Technology	Assistive Technology service is an item, piece of equipment or product system — whether acquired commercially, modified or customized — that is needed by the participant, as specified in the participant's individual service plan (ISP) and determined necessary in accordance with the participant's assessment. The service is intended to ensure the health, welfare and safety of the participant and to increase, maintain or improve a participant's functioning in communication, self-help, self-direction, life-supports or adaptive capabilities. Assistive Technology includes supports to a participant in the selection, acquisition or use of an Assistive Technology device. Training to utilize adaptations, modifications and devices is included in the purchase, as applicable. Independent evaluations conducted by a certified professional, not otherwise covered under the State Plan or other waiver services, may be reimbursed as a part of this service.	OBRA	Per Purchase
Cognitive Therapy	Therapeutic and Counseling Services (Cognitive Rehabilitation)	Cognitive rehabilitation therapy services focus on the attainment/re-attainment of cognitive skills. The aim of therapy is the enhancement of the participant's functional competence in real-world situations. The process includes the use of compensatory strategies, and use of cognitive orthotics and prostheses. Services include consultation, ongoing counseling, and coaching/cueing.	OBRA	15 minutes
Community Integration	Community Integration	Community Integration Services are services designed to assist individuals in acquiring, retaining, and improving self-help, socialization and adaptive skills necessary to reside in the community. Community integration services and related training enable the recipient to plan for and engage in meaningful adult activities including domestic and leisure activities. Community integration can include cues, on-site modeling of behavior, and/or supervision to assist the consumer in maintaining maximum independent functioning.	OBRA	15 minutes
Counseling Services	Therapeutic and Counseling Services (Counseling)	Counseling services are non-medical counseling services provided to participants in order to resolve individual or social conflicts and family issues. Services include initial consultation and ongoing counseling performed by a licensed psychologist, licensed social worker, or licensed professional counselor.	OBRA	15 minutes

Service Type	Service Name	Service Description	Program / Waiver(s)	Unit of Service
Employment	Employment Skills Development (1:1)	<p>Employment Skills Development services provide learning and work experiences, including volunteer work, where the participant can develop strengths and skills that contribute to employability in paid employment in integrated community settings. Services are aimed at furthering habilitation goals that will lead to greater opportunities for competitive and integrated employment and career advancement at or above minimum wage.</p> <p>Employment Skills Development includes transportation as an integral component of the service, for example, transportation to a volunteer or training activity.</p> <p>Employment Skills Development includes Personal Assistance but may not comprise the entirety of the service.</p> <p>Employment Skills Development services are delivered up to a 1:3 staff to client ratio when the service is delivered in the community.</p>	OBRA	15 minutes
Employment	Employment Skills Development (1:2 to 1:3)	<p>Employment Skills Development services provide learning and work experiences, including volunteer work, where the participant can develop strengths and skills that contribute to employability in paid employment in integrated community settings. Services are aimed at furthering habilitation goals that will lead to greater opportunities for competitive and integrated employment and career advancement at or above minimum wage.</p> <p>Employment Skills Development includes transportation as an integral component of the service, for example, transportation to a volunteer or training activity.</p> <p>Employment Skills Development includes Personal Assistance but may not comprise the entirety of the service.</p> <p>Employment Skills Development services are delivered up to a 1:3 staff to client ratio when the service is delivered in the community.</p>	OBRA	15 minutes
Employment	Employment Skills Development (1:15)	<p>Employment Skills Development services provide learning and work experiences, including volunteer work, where the participant can develop strengths and skills that contribute to employability in paid employment in integrated community settings. Services are aimed at furthering habilitation goals that will lead to greater opportunities for competitive and integrated employment and career advancement at or above minimum wage.</p> <p>Employment Skills Development includes transportation as an integral component of the service, for example, transportation to a volunteer or training activity.</p> <p>Employment Skills Development includes Personal Assistance but may not comprise the entirety of the service.</p> <p>Employment Skills Development may be provided in facilities licensed under PA Code 2390 but only after the participant has been referred to OVR and the following is documented: "the participant was either determined ineligible by OVR or their OVR case is closed, and the provision of Employment Skills Development services has already been attempted in a competitive integrated employment setting or an unlicensed community-based setting outside the participant's home."</p> <p>Employment Skills Development services are delivered up to a 1:15 staff to client ratio when delivered in a facility-based environment in accordance with 55 PA Code Chapter 2390.</p>	OBRA

Employment	Job Coaching 1:1 (Follow Along)	<p>Job Coaching services are individualized services providing supports to participants who need ongoing support to learn a new job and maintain a job that meets the definition of competitive integrated employment. Competitive integrated employment is full or part-time work at minimum wage or higher, with wages and benefits similar to those without disabilities performing the same work, and fully integrated with co-workers without disabilities. Job Coaching can also be used to support participants who are self-employed.</p> <p>Extended Follow-along is ongoing support available for an indefinite period as needed by the participant to maintain their paid employment position once they have been stabilized in their position (receiving less than 20% onsite support for at least four weeks). Extended Follow-along support may include reminders of effective workplace practices and reinforcement of skills gained during the period of Intensive Job Coaching.</p>	OBRA	15 minutes
Employment	Job Coaching 1:2 to 1:4 (Follow Along)	<p>Job Coaching services are individualized services providing supports to participants who need ongoing support to learn a new job and maintain a job that meets the definition of competitive integrated employment. Competitive integrated employment is full or part-time work at minimum wage or higher, with wages and benefits similar to those without disabilities performing the same work, and fully integrated with co-workers without disabilities. Job Coaching can also be used to support participants who are self-employed. Job Coaching services are necessary, as specified in the service plan, to support the participant to live and work successfully in home and community-based settings, enable the participant to integrate more fully into the community and ensure the health, welfare and safety of the participant.</p> <p>Extended Follow-along is ongoing support available for an indefinite period as needed by the participant to maintain their paid employment position once they have been stabilized in their position (receiving less than 20% onsite support for at least four weeks). Extended Follow-along support may include reminders of effective workplace practices and reinforcement of skills gained during the period of Intensive Job Coaching.</p>	OBRA	15 minutes
Employment	Job Coaching 1:1 (Intensive)	<p>Job Coaching services are individualized services providing supports to participants who need ongoing support to learn a new job and maintain a job that meets the definition of competitive integrated employment. Competitive integrated employment is full or part-time work at minimum wage or higher, with wages and benefits similar to those without disabilities performing the same work, and fully integrated with co-workers without disabilities. Job Coaching can also be used to support participants who are self-employed.</p> <p>Intensive Job Coaching is an essential component of Job Coaching services and may include:</p> <ul style="list-style-type: none"> • On the-job training and skills development • Assisting the participant with development of natural supports in the workplace • Coordinating with employers or employees, coworkers and customers, as necessary <p>Intensive Job Coaching includes assisting the participant in meeting employment expectations, performing business functions, addressing issues as they arise, and also includes travel training and diversity training to the specific business where the participant is employed.</p> <p>Intensive Job Coaching provides support to assist participants in stabilizing in an integrated situation (including self-employment) and may include meeting with the employer on behalf of the participant when the participant is not present to assist in maintaining job placement. Participants receiving Intensive Job Coaching require on-the- job support for more than 20% of their work week at the outset of the service, phasing down to 20% per week during the Intensive Job Coaching period (at which time, Extended Follow-along will be provided if ongoing support is needed).</p> <p>Intensive Job Coaching can support up to four participants in an integrated employment setting at one time.</p>	OBRA	15 minutes

Discovery involves a comprehensive analysis of the person in relation to following:</p> <ul style="list-style-type: none"> • Strongest interests toward one or more specific aspects of the labor market • Skills, strengths and other contributions likely to be valuable to employers or valuable to the community if offered through self-employment • Conditions necessary for successful employment or self-employment <p>The service also includes transportation as an integral component, such as transportation to a situational assessment during the delivery of Career Assessment.</p> <p>Career Assessment is provided on a 1:1 client to staff ratio.</p>	OBRA (continued)	15 minutes (continued)
Employment	Job Finding	<p>Job Finding is an individualized service that assists participants to obtain competitive, integrated employment. Competitive integrated employment is full or part-time work at minimum wage or higher, with wages and benefits similar to those without disabilities performing the same work, and fully integrated with co-workers without disabilities.</p> <p>Job Finding identifies and/or develops potential jobs and assists the participant in securing a job that fits the participant's skills and preferences and employer's needs. If the participant has received a Career Assessment, the results of that assessment must be included within the participant's service plan and considered by the Job Finding service.</p> <p>Job Finding may include customized job development. Customized job development is based on individualizing the employment relationship between employees and employers in a way that matches the needs of the employer with the assessed strengths, skills, needs, and interests of the participant, either through task reassignment, job carving, or job sharing.</p> <p>Job Finding is provided on a 1:1 basis.</p>	OBRA	15 minutes
Employment	Benefits Counseling	<p>Benefits Counseling is a service designed to inform, and answer questions from, a participant about competitive integrated employment and how and whether it will result in increased economic self-sufficiency and/or net financial benefit through the use of various work incentives. This service provides an accurate, individualized assessment. The service provides information to the individual regarding the full array of available work incentives for essential benefit programs including SSI, SSDI, Medicaid, Medicare, housing subsidies, SNAP, etc.</p> <p>Counseling services are paid for in a 15-minute unit of service and limited in the following ways:</p> <ol style="list-style-type: none"> a. Initial Benefits Counseling for someone actively considering or seeking individualized integrated employment or self-employment, or career advancement in these types of employment: up to twenty (20) hours. This service may be authorized no more than once every two (2) years (with a minimum of two 365-day intervals between services). b. Supplementary Benefits Counseling for a participant evaluating a job offer/promotion or self-employment opportunity: up to an additional six (6) hours. c. Problem-Solving services for a participant to maintain competitive integrated employment: up to eight (8) hours per situation. This service may be authorized up to four (4) times per year if necessary for the individual to maintain individualized integrated employment or self-employment. 	OBRA	15 minutes

Home Modifications	Home Adaptations < \$6,000	Home Adaptations are physical adaptations to the private residence of the participant, as specified in the participant's individual service plan (ISP) and determined necessary in accordance with the participant's assessment, to ensure the health, welfare and safety of the participant, and enable the participant to function with greater independence in the home. This includes primary egress into and out of the home, facilitating personal hygiene, and the ability to access common shared areas within the home. Home Adaptations consist of installation, repair, maintenance, permits, necessary inspections, extended warranties for the adaptations.	OBRA	Per Purchase
Home Modifications	Home Adaptations > \$6,000	Home Adaptations are physical adaptations to the private residence of the participant, as specified in the participant's individual service plan (ISP) and determined necessary in accordance with the participant's assessment, to ensure the health, welfare and safety of the participant, and enable the participant to function with greater independence in the home. This includes primary egress into and out of the home, facilitating personal hygiene, and the ability to access common shared areas within the home. Home Adaptations consist of installation, repair, maintenance, permits, necessary inspections, extended warranties for the adaptations.	OBRA	Per Purchase
Nursing Services	Home Health-Nursing (LPN) and Home Health (RN)	Diagnosing and treating human responses to actual or potential health problems through such service as case finding, health teaching, health counseling, provision of care supportive to or restorative of life and well-being, and executing medical regimens as prescribed by a licensed physician or dentist. The term does not include acts of medical diagnosis or prescription of medical, therapeutic or corrective measures, except as may be authorized by rules and regulations jointly promulgated by the State Board of Medicine and the Board, which rules and regulations will be implemented by the Board." Services must be ordered by a physician and are within the scope of the State's Nurse Practice Act and are provided by a registered professional nurse, or licensed practical or vocational nurse under the supervision of a registered nurse, licensed to practice in the state. The physician's order must be obtained every sixty (60) days for continuation of service. Skilled nursing is individual, and can be continuous, intermittent, or part-time nursing services based on individual's assessed need.	OBRA	15 minutes
Nutritional Counseling	Therapeutic and Counseling Services (Nutritional Counseling)	Nutritional Counseling services provided by a registered dietitian that are essential to the health and welfare of the participant. Services include initial consultation and ongoing counseling performed by a registered dietitian.	OBRA	15 Minutes
One Time installation of PERS	PERS (Installation)	PERS is an electronic device that enables an individual at high risk of institutionalization to secure help in an emergency. The individual may also wear a portable "help" button to allow for mobility. The system is connected to the person's phone and programmed to signal a response center once the "help" button is activated. The response center is staffed by trained professionals. PERS services are limited to those individuals who live alone or who are alone for significant parts of the day and have no regular caregiver for extended periods of time and would otherwise need extensive routine supervision - this is a one-time installment fee.	Act 150 OBRA	One Time Per Purchase
Ongoing Service Coordination	Service Coordination	Service Coordination services are services that will assist individuals who receive waiver services in gaining access to needed waiver services and other State Medicaid Plan services, as well as medical, social, educational and other services regardless of the funding source. Service Coordination is working with and at the direction of the participant whenever possible to identify, coordinate, and facilitate waiver services.	Act 150 OBRA	15 minutes
Payroll Services	Financial Management Services	Financial Management Services (FMS) provides financial, payroll, bill-payer services, orientation, and skills training and related functions for participants under the participant-directed models of service. These services assure that Medicaid funds used to provide services and supports outlined in the participant's Individual Support Plan are managed and paid appropriately as authorized and facilitate the employment of support workers by participants.	Act 150 OBRA	Per member/ Per month

Service Type	Service Name	Service Description	Program / Waiver(s)	Unit of Service
Payroll Services	Financial Management Services- Services My Way	Financial Management Services (FMS) provides financial, payroll, bill-payer services, orientation, and skills training and related functions for participants under the participant-directed models of service. These services assure that Medicaid funds used to provide services and supports outlined in the participant's Individual Support Plan are managed and paid appropriately as authorized and facilitate the employment of support workers by participants.	Act 150 OBRA	Per Member/ Per Month
Personal Emergency Response System	Personal Emergency Response System (P.E.R.S.)	PERS is an electronic device that enables an individual at high risk of institutionalization to secure help in an emergency. The individual may also wear a portable "help" button to allow for mobility. The system is connected to the person's phone and programmed to signal a response center once the "help" button is activated. The response center is staffed by trained professionals. PERS services are limited to those individuals who live alone or who are alone for significant parts of the day and have no regular caregiver for extended periods of time and would otherwise need extensive routine supervision.	OBRA	Purchase (installation) 1 Month (Maintenance)
Physical Therapy, Occupational Therapy, or Speech Therapy	Home Health-Physical, Occupational, Speech Therapy	The following services available through the approved state plan will be provided, except that the limitations on amount, duration, and scope specified in the state plan will not apply. Services will be as defined in the approved state plan. The provider qualifications in the plan will apply and are hereby incorporated by reference into these standards. These services will be provided under the state plan.	OBRA	15 minutes
Prevocational Services	Prevocational Services	Prevocational services prepare a participant for paid competitive employment or other employment and are provided under the auspices of a licensed vocational facility. Activities included in this service are not primarily directed at teaching specific job skills, but at underlying goals directed at assisting the participant towards greater independence. Services include teaching such concepts as compliance, attendance, task completion, problem solving, safety, and habilitative skills for integrated employment. Services are not job- task oriented, but instead, aimed at a generalized result. Services are reflected in the participant's service plan and are directed to be habilitative rather than explicit employment objectives. Documentation is maintained in the file of each individual receiving this service that the service is not available under a program funded under section 110 of the Rehabilitation Act of 1973 or the IDEA (20 U.S.C. 1401 et seq.).	OBRA	15 minutes
Residential Habilitation	Residential Habilitation 1-3	<p>Residential Habilitation Services are delivered in provider owned, rented/leased or operated settings. They can be provided in Licensed and unlicensed settings.</p> <p>Licensed Settings are settings in which four or more individuals reside and are licensed as Personal Care Homes (reference 55 PA Code Chapter 2600). Unlicensed settings are provider owned, rented/leased or operated settings with no more than three residents.</p> <p>Residential Habilitation services are provided for up to 24 hours a day. This service is authorized as a day unit. A day is defined as a period of a minimum of 12 hours of service rendered by a residential habilitation provider within a 24-hour period beginning at 12:00 am and ending at 11:59 pm. Residential Habilitation services are designed to assist an individual in acquiring the basic skills necessary to maximize their independence in activities of daily living and to fully participate in community life. Residential Habilitation services are individually tailored to meet the needs of the individual as outlined in the individual's service plan.</p> <p>Residential Habilitation includes supports that assist participants with acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in the community. These services are individually tailored supports that can include activities in environments designed to foster the acquisition of skills, appropriate behavior, greater independence and personal choice. Supports include cueing, on-site modeling of behavior, and/or assistance in developing or maintaining maximum independent functioning in community living activities, including domestic and leisure activities. Residential Habilitation also includes</p>	OBRA	24 Hours

Residential Habilitation	Residential Habilitation 1-3 Supp 2:1	<p>Residential Habilitation Services are delivered in provider owned, rented/leased or operated settings. They can be provided in Licensed and unlicensed settings.</p> <p>Licensed Settings are settings in which four or more individuals reside and are licensed as Personal Care Homes (reference 55 PA Code Chapter 2600). Unlicensed settings are provider owned, rented/leased or operated settings with no more than three residents.</p> <p>Residential Habilitation services are provided for up to 24 hours a day. This service is authorized as a day unit. A day is defined as a period of a minimum of 12 hours of service rendered by a residential habilitation provider within a 24-hour period beginning at 12:00 am and ending at 11:59 pm. Residential Habilitation services are designed to assist an individual in acquiring the basic skills necessary to maximize their independence in activities of daily living and to fully participate in community life. Residential Habilitation services are individually tailored to meet the needs of the individual as outlined in the individual's service plan.</p> <p>Residential Habilitation includes supports that assist participants with acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in the community. These services are individually tailored supports that can include activities in environments designed to foster the acquisition of skills, appropriate behavior, greater independence and personal choice. Supports include cueing, on-site modeling of behavior, and/or assistance in developing or maintaining maximum independent functioning in community living activities, including domestic and leisure activities. Residential Habilitation also includes community integration, personal assistance services and night-time assistance. This includes any necessary assistance in performing activities of daily living (i.e., bathing, dressing, eating, mobility, and toileting) and instrumental activities of daily living (i.e., cooking, housework, and shopping).</p> <p>Transportation is provided as a component of the Residential Habilitation service and is therefore reflected in the rate for Residential Habilitation. Providers of (unlicensed and licensed) Residential Habilitation are responsible for the full range of transportation services needed by the individuals they serve to participate in services and activities specified in their individual support plans (ISPs). This includes transportation to and from day habilitation and employment services. Transportation included in the rate for Residential Habilitation Services may NOT be duplicated through the inclusion of the transportation service on an individual's ISP.</p> <p>Individual considerations may be available for those individuals that require continual assistance as identified on their needs assessment to ensure their medical or behavioral stability. By the nature of their behaviors, individuals are not able to participate in activities or are unable to access the community without direct staff support. Residential Enhanced Staffing is treated as an add-on to the Residential Habilitation service and is only available when participants require additional behavioral supports.</p> <p>Residential Enhanced Staffing may be provided at the following levels:</p> <ul style="list-style-type: none"> • Level 1: staff-to-individual ratio of 1:1 • Level 2: staff-to-individual ratio of 2:1 or greater <p>Both licensed and unlicensed settings must be community-based as well as maintain a home-like environment. A home-like environment provides full access to typical facilities found in a home such as a kitchen and dining area, provides for privacy, allows visitors at times convenient to the individual, and offers easy access to resources and activities in the community. Residences are expected to be located in residential neighborhoods in the community. Participants have access to community activities, employment, schools or day programs. Each facility shall assure to each participant the right to live as normally as possible while receiving care and treatment. Home and Community character will be monitored by OLTL's Office of Quality Management, Metrics and Analytics through ongoing monitoring. Additionally, Service Coordinators will monitor the community character of the residence during regularly scheduled contact with residents. Results of this monitoring will be reported to OLTL. Respite	Respite Services-Agency	Respite services are provided to support individuals on a short-term basis due to the absence or need for relief of those persons normally providing care. Respite Services are provided to individuals in their own home, or the home of relative, friend, or other family, and are provided in quarter hour units. Respite services may be provided by a relative or family member as long as the relative or family member is not a legal guardian, power of attorney, or reside in the home.	OBRA	15 minutes
Respite	Respite Services-(Consumer)	Respite services are services provided to individuals unable to care for themselves; furnished on a short-term basis because of the absence or need for relief of those persons normally providing the care. Respite services consist of temporary services offered to consumers in their homes to relieve family members and other persons who normally provide care. Respite services may be delivered in an individual's home, or place of residence, Medicaid certified ICF/ORC, licensed respite facility, or other community care residential facility approved by the state that is not a private residence. Respite services may also be delivered in a relative or friend's home if the consumer's home is not available. Respite services may include overnight care and services which a family member or other would perform if they were present. This may include bathing, dressing, eating, housekeeping, and participating in community activities.	OBRA	15 Minutes
